

Division Rep/Board of Governors Members Wanted

The Heart of Texas APA is looking for individuals to work with the Local League Office to better support the current players and bar owners while helping with new players, teams and bars. This will not be a position that should be taken lightly. Your phone number will also be listed on scoresheets and our website for players to contact you with questions during League play after the League office has closed. You may be asked to assist in tournaments or make appearances at different locations in your area as needed.

BOG members will be asked to attend one BOG meeting a year or when needed regarding League issues. The BOG will make recommendations to the League Operator. The League Operator is the final decision maker in regards to all League policies, rulings and penalties.

This is a serious responsibility. DR's and BOG members who do not show results that are satisfactory will be replaced but with no hard feelings.

We are looking for volunteers who believe in our Vision and Mission and love to participate in the APA. Of course this responsibility will not go completely unrewarded. We have perks and incentives that you will enjoy with the position.

If you are interested in applying for one of these positions, please fill out the information below.
